

Australian Divisions of **General Practice** Ltd

**National Institute of Clinical Studies**  
in association with  
**Australian Divisions of General Practice**

are pleased to invite you to a public talk by

**Professor Richard Grol**  
on

**“Improving Practice: How to Implement Change in Primary Care”**

Professor Richard Grol is the Director of the Center for Quality of Care Research (WOK), Nijmegen University, Maastricht University, The Netherlands. In 1991 in cooperation with WONCA he established EquiP, a group with the aims of identifying methods already used to improve quality of care in general practice & contributing to debate, information exchange and education on the concept of quality development in general practice. He has published extensively in many areas related to research transfer and uptake. Professor Grol will also conduct public talks in Melbourne on Wednesday 4 February 2004 and in Sydney on Wednesday 18 February 2004.
