

## **CANDIDATE INFORMATION REGARDING DR MICHAEL TAYLOR**

- Dr Michael Taylor M.B.B.S., D.C.C.H. F.R.A.C.P is a – Registered General Practitioner in full-time general practice as a co-owner of a small group medical practice.
- He has been involved with Divisions of General Practice since 1995. Positions he has held since that time include, Treasurer/Secretary of the Eyre Peninsula Division of General Practice from 1995 to 1998 and Board Member of the Adelaide Hills Division of General Practice from 1998 to 2000.
- Dr Taylor is currently the Medical Director of the AHDGP a position he has held since 2000, contributing proactively to the vision of the Division.
- Dr. Taylor is an integral part of the operation of the Adelaide Hills Division of General Practice working with the Executive Officer on areas such as Board governance, financial analysis, risk management, and future planning.
- Dr. Taylor also provides input into policy development for the Division to assist in the on-going streamlining of its (the Division's) operation.
- He is a proven team player, not only in terms of the Board and its operation, but also within the Division structure actively engaging with the Executive and staff of the Division.
- He has a local, state and national commitment to Divisions of General Practice being on the State Board since 2001 and the National Board since 2002.
- Dr. Taylor is committed to GPs and supports the ADGP vision of a high quality primary health care sector that is integrated through general practice, to improve the health of all Australians.
- He has attended corporate governance training at his local division (on a regular basis) as well as at the state and national board levels and is committed to the strong governance model for boards, actively engaging in dialogue to improve governance of Divisions.
- Dr. Taylor has exceptional meeting skills not only in regards to governance, but as a member skilled in meeting procedure and the chairing of meetings and organisation.

Dr Taylor has demonstrated on-going involvement to general practice over long period of time serving as a clinical lecturer for the University of Adelaide, APLS instructor, Chairman for Rural Sub-committee ADGP, Forum Steering Committee ADGP, Board member for SADI (current) ADGP (current), past Board member AHDGP, and past Director of Medical Services in Port Lincoln.
