## Practice Nurse Program

Adelaide Northern Division of  
 General Practice

“Partners in Quality Practice”

## What is the Program?

The Division is very conscious of the advantages a Practice Nurse may bring to your business. With this in mind we have developed a flexible Practice Nurse Program to provide Practice Nurses to meet your specific needs.

## How it can assist you?

The Division is confident, based on documented evidence, a Practice Nurse can add value to your business. If you are not confident we will provide examples of financial business models to assist your decision. In fact we are so confident, your first Practice Nurse session is free!

## What sort of support is available & how do you know what to claim?

Your Practice Nurse can play a major role by not just enhancing clinical care but also ensuring your claim is lodged correctly. Just some example tasks and claim entitlements include:
