Start spreading the news

**The 3rd International
Conference in Primary
Healthcare
9-11 March 2006
Gold Coast
Convention Centre**

Reckless rogues, sentimental softies and quality devotees, get back to the golden years to celebrate a new era in primary care. Spinning tales of accreditation, team spirit and risk gone wrong and right, our international conference is an energising 'must attend' event. Offering delegates the best of the primary care pack, **'Start Spreading the News'** is THE place to be to exchange the latest news on quality improvement in healthcare.

If your measure is song and safety...you're in for a swingin' time!
